

## **Governor Profile – Rosalind Wood**

Governor Role: Chair of Governors

Term of Office: 7 years

Relevant Business Interests: None

Staff Connection: None

I joined the Governing Body in 2012 as a parent governor, because I wanted to be more involved in the life of the school and how it can best serve the pupils and parents moving forward in these difficult financial times. All schools need governors as critical friends – not to criticise or judge, but to challenge and question. I took over the role of Chair in September 2016.

I believe every child should have the opportunity to reach their potential. St Luke's is a fantastic facility and being a governor enables me to support the school through working closely with the Executive Head, the Head and the staff, to ensure that while the pupils are here they thrive, make progress and gain work experience, to prepare them for the next stage of their journey into adulthood.
