1. Introduction and aims

At schools in The Blue Tangerine Federation, we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

1.1 Things that have happened in UK schools and why we need to ensure all our pupils and adults are safe.

- Use of mobile devices for up-skirting and obtaining imagery of genitals
- Adults taking pictures of children for theirs and others' sexual gratification
- Pornography and violent content accessed by children's own internet connectivity whilst in school
- Gang culture, knives, extremism, Drill and Grime music accessed by children's own internet connectivity
- Inappropriate and violent games accessed and played including 'Blue Whale' which requests users to undertake a series of tasks; the final one being suicide
- Pornographic and violent interpretations of known children's cartoons etc. accessed inadvertently
- Inappropriate and 'dangerous' material stored on personal devices by family members, then accessed without internet connectivity in school
- Pupils contacting family members/ birth family against parental permission
- Pupils taking pictures and videos of staff, creating memes and using VI to distort images, meaning and publishing online, leading to suspension and disciplinary action
- Using images taken of other pupils for bullying and humiliation on social media
- Sharing of personal data on social media inappropriately

2. Roles and responsibilities

2.1 Staff

- All staff (including teachers, support staff, and supply staff) are responsible for enforcing this policy.

- All staff are being protected by the procedures in this policy.
- Pupils must secure their phones as much as possible, including using passwords or pin codes to protect access to the phone's functions.
- Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.
- Volunteers, or anyone else otherwise engaged by the school will be made aware of this policy through the information given at Reception.
- Staff need to use the *Record of Concern About an Adult* form should this policy be breached. These forms must be given/ emailed to the Head of School and/or the Executive Headteacher.
- The Executive Headteacher is responsible for monitoring the policy every two years, reviewing it, and holding staff and pupils accountable for its implementation.

3. Use of mobile phones by staff

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) **are not permitted to use their mobile devices while children are present/during contact time. Use of personal mobile phones is restricted to non-contact time, and to areas of the school where pupils are not present such as the staff room and offices.

In circumstances where immediate contact is needed, then staff should let family/ their child's school know to call Reception as personal phones will be switched off during lessons.

The Executive Headteacher will decide on a case-by-case basis whether to allow for special arrangements. If special arrangements are not deemed necessary, school staff can use the school office number as a point of emergency contact.
